VII. Brainstorming and Dialogue

- 1. Banner holder – whoever has the banner needs to pick up the banner holder before NCCNA. It will be in storage. Contact Nicholaus or Travis. They have the key to the storage.

2. Environmental scan- every year NAWS puts out a survey the goes out to World Services to help them better work with H&I. We've been doing a SWAT analysis. This is a multiple choice that goes to groups and RCM takes back to Region. They may use a previous survey and prioritize the results, or GSRs can spend ½ day in scanning workshop. Doing a straw poll to determine which method will be used. Straw poll: SWAT analysis.
3. NAWS literature: "Spiritual Principle a Day" book. There is literature on guidelines, or we can submit a travel expense and someone will come and host a workshop. Region will cover all costs. Straw poll: GSRs to take back to groups and bring back next month.
