## **Chairperson's Report to the January 9, 2008 Area Service Committee of SacFNA**

*Happy New Year Everybody!*

### **Service Structure**

As communication with American River Area regarding the best way forward for H & I, phonelines, and schedule continues, I wondered if it might be helpful to formalize the features of our service structure as it currently exists. We have resisted establishing standing subcommittees and have instead embraced aspects of the flexible service structure outlined in the new *Public Relations Handbook* (available at [http://www.na.org/handbooks/PRHB\\_Final\\_24Oct06.pdf](http://www.na.org/handbooks/PRHB_Final_24Oct06.pdf)). This is a new way of doing business and other Areas in Northern California and elsewhere are also grappling with how to adapt or create structures that are most effective and efficient and carrying out our goals.

I've recently been in touch with some folks in Greater San Jose where they have a service structure working group tasked with proposing and rolling out changes to their already-established subcommittee structure. The group's co-chair shared a graphic overview of their concept for implementing a flexible service structure with me. I have adapted it as a starting point for conversations about our own service structure. I'd like to propose that we spend sometime discussing this in open forum tonight and in our home groups in the coming month. Once we've had time to discuss, reflect, and refine a model, perhaps we can come to a shared understanding of what our flexible service structure should look like going forward.

### **Elections**

We will hold elections for the following positions tonight: Chair, Vice Chair, Administrative Assistant, and Policy & Procedures Person. It's been a great pleasure to serve as the Sacramento Fellowship ASC's first chairperson. I would be honored to serve in this position for another term, if that's HP's will expressed through our group conscience; if new leadership emerges, I will continue to serve Narcotics Anonymous as my HP sees fit.

In service,  
Pamela T.

### **January ASC SacFNA Vice-Chair Report**

Happy New Year everyone. We have almost completed a year as the Sacramento Fellowship. We have come a long way, and I'm proud to have been a part of this process.

The PR Working Group continues to meet monthly to discuss the placing of posters with the NA hotline phone number in places where addicts will see them. We had a meeting in December where we agreed on the design of the posters. We also met yesterday, and the results of that meeting did not make it into this report, so I'll tell you briefly what happened.

I have reserved two classrooms at Trinity on the second Tuesday in February. One for the PR Working Group currently formed and a second for a second Working Group. Both rooms are reserved from 7 – 8:30pm.

Thank you for letting me be of service.

Eric K, Vice Chair

## Administrative Assistant's Report

Hello all,

Please remember to check the roll call and the schedule for your meeting to see if all information is correct and, if not, make the corrections on the sign in sheet that is going around. Please keep those sign in sheets moving and be sure that you sign in!

This is my last month of service to this Area in this capacity. I have thoroughly enjoyed my commitment and feel that I've received much more than I've given and the responsibilities were much less difficult than anticipated. Thank you for allowing me to be of service to you and the fellowship.

Catherine B.

## Policy and Procedures Person's Report

Hi,

As I sit down to write this brief report, I realize it is the last report of my service commitment. Though commitment may be the correct word, opportunity better describes my experience during the last year. It has truly been an exciting opportunity to participate in this new Area during its first year. As we continue to explore shared services and develop services of our own, our primary purpose remains first and foremost.

Thank you for allowing me to be of service.

Russ H.  
Policy and Procedures Person

## Literature Coordinator's Report

Good evening everyone, first of all I would like to thank the people who helped me get the orders out last ASC. Due to the large number of orders, mistakes and length of time it takes me to reconcile the orders I will have to ask the people that are going to help to please come in early for some training. There just isn't time to train during the ASC.

I checked with the printing company and was told the minimum order is 1000 copies. So I am recommending we go on as we are until the price increase which should be about April. You will notice some changes to the order form. There are some shaded areas and those are special order items (items we do not stock). The price we are charging right now reflects our cost plus the tax but it does not include the shipping charges. When we change the forms to reflect the new prices I would like to increase the items by an additional 7% to include the shipping and handling charges.

Last month we sold	\$ 3,278.39
B/O's were	\$ 483.80
Ordered	\$ 3,373.07

Yours in service,  
Randy B.

## Treasurer's Report

Hi Everyone-

The Admin. Committee performed an audit on the Statement of Accounts during the December Admin. Meeting. There was a discrepancy with the November 8, 2007 deposit made at Tri-Counties Bank.

My records show that I deposited \$4037.99 into the account (the shaded areas of the Statement of Accounts). The banks records show that I deposited \$3957.93 into the account, which including a "bank error" of \$5.46. After the audit, it was realized that the \$80.06 discrepancy included all cash received from the November 7, 2007 Group Donations and the November 7, 2007 7<sup>th</sup> Tradition. I reconciled these numbers with the bank management, and they agreed that there is an \$80.06 discrepancy. The bank's assistant manager requested the bank video from the time of my deposit on November 8, 2007. As of January 6, 2008, the bank has not received the videos, which will show the actual deposit I made. To reconcile the account, I deposited \$80.06 from my personal account into the SacFNA account. If the problem is settled with the bank videos, I will return the \$80.06 to my personal account.

The Admin. Team of SacFNA discussed solutions to ensure accurate accounting of Area funds. The discussion Resulted in an overwhelmed collective conscience that we need to purchase an accounting software program to assist us in properly tracking funds. Since Quickbooks is the most common, I propose that we purchase a copy of Quickbooks Pro 2008.

The following are three online quotes from local stores as of January 6, 2008:

Staples-\$199.99 + tax  
Office Max-\$199.99 + tax  
Office Depot-\$199.99 + tax

I also have attached a copy of the Area Donations, by group. I am required by our by-laws to make these available every six months.

Please don't hesitate to contact me with any questions or comments. My email address is:  
and my phone # is

In loving service,

Dave M, SacFNA Treasurer

## Senior RCM Report January 2007

This month's Regional meeting will be at the TAC Convention. It is a 244 mile round trip drive.

RSC has a PR coordinator position to fill and there are 2 positions to fill on the Region Board of Directors.

Pam T. came to Region to do a presentation on consensus based decision making.

The Conference Agenda Report is now available to download online at [www.na.org/conference/index.htm](http://www.na.org/conference/index.htm) for free. Hard copies are available through the RSO for \$11. I have been given one hard copy. Copies of the CAR will be available to borrow or purchase if you are able to attend the CAR Assembly and do not have a copy of your own by this time.

Dolores and I attended the CAR Assembly hosted by the San Francisco Area and now have a much better feel for what to expect when our area hosts on February 23 at the Trinity Cathedral from 10 am to 4pm. I will need a handful of volunteers to help with set-up and snacks. I do have flyers available here tonight. Please take only two for each group. I distributed flyers for this event at ARANA on Friday.

One motion of lengthy discussion was- It will be the policy of the RSC to not allow any events that are not tied to any group or official service structure to post their event on the Regional calendar or to distribute flyers. Further- to direct the RSO to deny any insurance requested by such events.

Respectfully  
ch

**Steve L., ARANA H&I Chair**

Can split the county or do this together. Need more time to determine how the geographical boundaries shake out. ARANA jail coordinators don't want to split up the jails between Areas.

Did some research with other Areas (Washington didn't work well til the different Areas started working together). Split with Sierra Foothills was a different situation – different cities, area codes, etc. Bay Area thinks shared services don't work.

Need to develop guidelines before we split the subcommittee work. ARANA would like to have one subcommittee. Seems like folks with more clean time are more willing to change (and do shared services) than the younger members.

Q: Why are we splitting the subcommittee up?

A: Most of the facilities are in SACFNA area. Splitting the facilities up by geographical boundaries will ultimately abolish the ARANA H&I subcommittee.

Q: If we split the area, we'd get most of the facilities. There are tons of other facilities (recovery homes) that we could go to.

A: Tons of places want us there but we don't have the money for books, not enough bodies, or facility doesn't meet the criteria. If we split up, it will revamp the service structure of the subcommittee. It works well now. Splitting up will cause us to lose experienced mentors.

Q: Did your subcommittee get instruction from ARANA to figure out what is best?

A: They gave us six months. (H&I, PI and phonline)

Q: Just a thought to use the Coordinator Model, not have a chair, vice chair, etc.

Q: On an average what are your monthly expenses.

A: \$1400/month (rent, schedules, newsletters), about \$1250 of that goes to literature. Dropped our order to \$800. Can money donations paid for last month's literature order. Going to be reviewing our donations.

Q: If there was a split, would the coordinators who have those facilities stay with them?

A: Some coordinators may not be willing to come to SACFNA.

Q: What do other larger areas do?

A: Phoenix, has three areas. They meet together. One schedule for Phoenix, Scottsdale, Mesa.

Q: If we split up, will we loose our longstanding good relationships with these facilities?

A: Each facility is different. Some (like downtown jail) have longtime coordinator. RCCC and Folsom prison may have challenges.

Comment: One problem working with ARANA is we are reacting to their decisions. Six months seems like a good amount of time. But we will be waiting for ARANA to make decisions. We need to give input to the decision-making process, not just wait for this other body to tell us what will happen.

### Scott, ARANA Host Vice Chair for NCCNA

Asking for our help to pull the Convention off. Pass volunteer fliers at meetings. Three volunteer training days in Feb and March. Need about 800 volunteers to put it on.

Q: Deadline for volunteer sheets?

A: There is no deadline. Sooner the better. Most volunteers will come on site. No clean time requirement unless handling money.

Dates of training, 2/2, 2/23 and 3/1.

Q: If I sign up as a volunteer, will they contact me?

A: Yes

- E. Roll Call and Group Reports (see roll call)
- F. Review/approve minutes from 11/7/07
  
- IV. Brainstorming session- Small Groups on next PR tasks  
Consensus to put off to next month's ASC due to time constraints.
  
- V. Decision Session

***Proposal 1: After checking with RSO for new prices, to order two-part (duplicate) forms for literature sales for \$212.27/1,000***

- Don't forget we can use the on-line order forms. Print two copies.
- May be additional IPs (probably one year from now)
- What about price changes?
- Do we need 1000 or would we want to consider maybe 500 considering changes will be made.
- Literature prices/selections won't change soon, let's go ahead and order duplicate forms.

**Proposal accepted.**

***Proposal 2: To offer to pay ARANA for phonline minutes over 2.000 at the rate of .06/minute***

- We proposed last month that someone was going to investigate the cost of phone lines. Cost of the technology isn't much anymore. Covering the shifts will be the hard part. Probably need about 80 or so people to cover the week. ARANA gets about 1200 minutes worth of calls per month. They budget for 2000. If we pay for anything over 2000, 1000 additional minutes is \$60.
  
- We're going ahead and sharing the service, right? ARANA is okay with accepting this money from us? The subcommittee is okay. They are going to engage in the poster campaign. If we give them this money and they decide they don't want it, we'll just quit giving it? This is just us showing good faith.

- Think about how hard it is to fill the phonenumber schedule.
- Lets do this in the interim until we decide whether we get our own phonenumber.
- Phoenix has three areas, one phonenumber.
- Group believes that personal recovery depends on NA unity. This is a good opportunity for us to share services. How can we let ARANA know about our wishes? Best way would be to go to their subcommittee meetings.
- We already contribute \$50 to phonenumber.
- If we go forward with this, will we have a number to put on the fliers? It will be ARANA numbers.

**Proposal accepted.**

***Proposal 3. Host CAR Assembly in 2008.***

- We were selected to host the CAR assembly in 2008. We need to find a location, date. RCMs will find a location. We need to set the date. We prefer Saturday. Evelyn Moore Center, Meadowview facility ad two good locations. Late February or early March. RCMs were given authority to find a location/date and bring back to next ASC.

**Proposal accepted.**

***Proposal 4. Want to discuss making a larger donation to Region.***

- We currently give \$75. Would like to see anything over our budget and prudent reserve should go to Region.
- Would like Admin to discuss and bring back next month.

**Proposal deferred to next month.**
