NOTES:

Chairperson's Report to the May 7, 2008 Area Service Committee of SacFNA

Reports

I mentioned streamlining the admin reports section of our meeting last month, but did not get any feedback during brainstorming. What I've suggested is allowing admin members who have fairly straight forward reports in a given month to simply give you the opportunity ask questions but forego reading their report. This would require that you scan ahead to review the typically brief reports from the literature person, treasurer, policy and procedures person, and admin assistant. With your permission, I'd like to give this a try tonight. We can see how it feels, then make a decision. Would that be okay with you?

Liaison to AR-ASC

ARANA Chair Pam W. assured me that a liaison sent from this ASC to American River's ASC would be recognized during reports. Tonight's agenda includes time for discussion through which we can decide whether or not to send a liaison. If we choose to send a liaison, we'll need to determine whether that's a task for someone already on admin team or if we want to create a new position.

Helpline Postering

Last month Kevin's report included a request for group's support on the postering task. It was pointed out that it's the ASC's duty to carry out tasks assigned to it by the groups. True enough. That said, the PR working group has made it a practice to meet at a regular NA meeting as a starting point for the day's task. In midtown and Rancho, this increased our effectiveness, since locals know their neighborhood best. It also allowed more members the opportunity to serve. So, it's not that we're shirking our duties or giving the task back to the group; rather, we just need a launching pad and a few more people. If that's agreeable, I'd like to produce a ½ page flier along these lines:

Draft

Would your group like to host a
Helpline Postering Rendezvous?

- **The TASK:**
Putting up posters with our helpline number in places where addicts will see them
- **The COMMITMENT:**
Sac Fellowship has a PR working group assigned to this task. They're in it for the long haul. In order to poster any particular neighborhood, it's helpful to have a place to start from and the help of members who know the area & are willing to commit to a couple hours for the task.
- **The PLAN:**
Interested groups would invite the PR working group to rendezvous at their meeting. With the group's permission, a GSR would contact Kevin to arrange the particulars. Each rendezvous will be announced at the ASC. Stay tuned so you can join in the fun!

Interested? Call Kevin F. for more information:

SacFNA Vice Chairpersons Report

The PR tasks of postering and putting literature in hospitals are continuing and there is nothing new to report. Carlos attended the ARANA PI committee so he will report on that. We have addressed interest from the Television Program Crystal Darkness as follows:

Recently there was interest brought to this body to have a link from the SacFNA website to a website that was representing a television show viewed in the Sacramento metro area. As members of Narcotics Anonymous and a body of trusted servants to the fellowship and its members, we are bound by our twelve Traditions including:

6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.

We therefore determine that it would be inappropriate to provide a link from our website to Crystal Darkness.

Groups outside of the fellowship are not bound by our Traditions and can link to NA sites without our consent. We are not responsible for other's actions but should be mindful if brought to our attention. We appreciate the fact that the group requesting our web-link wanted to give addicts information about all possible means of freedom from active addiction. Given that this is a national, not local broadcast, and websites may have an international audience, we will refer this request to the World Service Office, Public Relations Coordinator.

Thank you for allowing me to be of service

Admin Assistant Report

Please review the sign in sheet as it is passed around. Verify all information is correct including meeting times and address. If there are any changes please make them on the sheet. Please have contact information current for your group, including contact information for a trusted servant. All schedule changes will be sent to the ARANA coordinator to be changed in next month's meeting directory. Thank you for letting me be of service,

Literature Report

Good evening everyone, first of all I would like to thank the people who helped me get the orders out last ASC. If there is anyone who would like to help tonight I could use another person or two.

I would like to bring your attention to the item above the IP's, these are the schedules for Sacramento and surrounding communities, I like to call them travel schedules.

Last month we sold \$ 1,796.87
B/O's were \$ 62.57
Ordered \$ 1,776.59

Yours in service, Randy B.

I attended Region last month and we discussed the CAR and how the whole process went. Later in the month I was informed the 6th addition of the Basic Text is now approved and the 10 stories from different countries will now be included.

The Regional Service Committee has asked us to announce that there are still a couple of seats open for the Board of Directors.

This is copied from the RSC Treasure Repot

I need to report that the RSC was not self-supporting last month; we are \$4,655.74 below operating reserve, a deficit that happened over the course of one month. It's true that donations were very low last month. However, I believe that there may be a larger issue at play here. While the Guide to Local Services suggests that we would pass ***all of our excess funds*** down the service structure, I am aware that several areas do not operate according to that suggestion and have decided instead, to pay their Area's portion of what our insurance costs per group, per month. It seems that some have the perception that insurance is the only fixed cost that the region incurs on behalf of the groups. I need to tell you that this perception is absolutely inaccurate. This body provides many services for the entire region like sending Admin members to your ASCs and events when you make such requests, providing a venue for areas to share information regarding H&I and PR, supporting the RSO (which provides us with literature and legal protection), and providing the groups and ASCs with an avenue by which they can participate in the conscience of the world-wide Fellowship. All of these things cost money! In all, our annual budget is currently \$71,575.00. If you divide that by the approximate number of meetings in the region (1,400), this region costs \$4.26 per meeting, per month. I want to be clear that I don't believe that we should all just pay "our fair share". If the RSC did that, we would seriously impact the Fellowship's ability to provide vital resources to the still suffering addict. None-the-less, I know that some of our Areas will continue to do this. So...I want to make sure that those who operate this way are at least doing so with the right figure in mind.

With all of that said, we are going to be discussing the budget for the next cycle in a couple of months. If your Area does not feel that they bare equal accountability for the annual budget, you should be reviewing the budget and providing guidance as to where we need to cut back on services/expenses. Remember that we all participate in developing the budget. By doing so, we are all accountable for supporting it.

I was asked to stand in as a liaison to ARANA H&I and PI. I attended both sub-meetings.

H&I this month will be offering their recommendations as to what those choices may be. Split or shared.

P-I will elect a new chair this month and I asked them if the shared schedule could state on the front both Sac. Fellowship and American River and to state on the phone Hot Line that the service is for both the Sac Fellowship and American River.

I also attended admin and helped create our budget for the next 6 months

Thanks, Carlos H.

Treasurer's Report for May 7, 2008 SacFNA Area Service Committee Meeting

Good Evening Everyone,

Ronda and I have successfully installed Quickbooks on my laptop. We have started entering data from March '07, when the bank account was opened. I am pleased to report that we have entered all of the banking information up to November of '07. It is my hope that by next month all of the information will be entered into Quickbooks.

In the process of reconciling the books and proposing a 6 month budget, we realized that the coffee donations and expenditures have not been flowing through our ASC treasury. For accountability and tracking purposes, we will work with the coffee person to report donations and expenditures in the future.

We were able to finish the budget and it will be proposed tonight for your review and approval.

If you have any questions, concerns or comments please don't hesitate to contact me.

Yours in Service,

Dolores H.,

Treasurer

V. Decision Session

Proposal 1: Circle of Sisters NA Convention

Delita: Circle of Sister (COS) is a roaming women’s convention. A packet of COS guidelines were handed out to the ASC. Member from Sacramento were approached in Chicago by COS advisory group to see if Sacramento would be interested in hosting the convention. The Woman to Woman group of SacFNA have created a pre-planning committee and would like to host the COS convention in 2010.

Q. Will host committee be the one to be financially responsible?

A. No, this will be done by fundraisers.

Q. Will any funds that are to be disbursed be split between all areas involved or the host area?

A. Only to the host area.

Q. In past Region has become involved with contracts (San Jose COS). Will they get involved with this COS?

A. No.

Q. How will the committee elect officers?

A. Committee will send out to this and outlying areas for women to be part of the group.

Q. Guidelines say it will be in Feb or March, will this conflict with NCCNA?

A. It would be the early part of Feb, so no conflict.

Q. Have other areas been asked to be involved?

A. No. This was brought to this area first.

Q. When is a decision needed by? Can we take it back to the groups?

A. The bid needs to be done by May so there will be an answer needed soon.

Q. Some of the activities say that men are not requested, what are they?

A. Some of the entertainment but none of the meetings of sharing the message.

Q. Will there be a financial burden on the area?

A. Initial seed money comes from previous year's income but if there is a shortfall the group may come to the area.

Straw poll was taken on reviewing this further and taking back to the groups.

Consensus was obtained to review the proposal and take back to groups for input and return next month.

Proposals from the floor:

Proposal 2: Recommendation for Service Structure plan A from Chair’s report to create a working group that will meet the same time as Admin to create guidelines for Coordinators and Task Leaders. (Note: Admin meets 3rd Wednesday of the month from 7:00pm to 9:00pm.)

Support from the floor.

Max agreed to be part of the group. Other interested members are invited to be part of the group.

Consensus was obtained to create group and meet same day and location as Admin meeting.

Proposal 3: To have an Area Inventory to see if we are serving the groups as promised.

A straw poll was conducted to see if there was interest in completing an Area Inventory.

Consensus was obtained to have an inventory.

Proposal 4: The ASC approve T-shirts and buy them for the cost of \$9.00 + tax.

Opposition: we are not in the financial position to get involved at this time.

Proposal will be tabled to next month.

VI. Treasurer Nominations: Guidelines read.

Q. Will this be for the remainder of the term or a new term?

A. This election will be for the position that will last until the end of the current term.

Dolores H. (Alternate Treasurer) was nominated and accepted.

This will be continued to next month per guidelines.

Note: If the Alternate Treasurer is elected as Treasurer, there will be a vacancy for Alternate Treasurer next month.

Woman to Woman
Circle of Sisters Narcotics Anonymous Convention

Sacramento Fellowship of Narcotics Anonymous

Dear SAFNA Members,

Recently the Woman to Woman meeting of NA voted to host the 2010 Circle of Sisters Narcotics Anonymous Women's Convention (COS).

To meet the guideline requirement for COS bid process, the Woman to Woman meeting has formed a pre-planning committee to present our proposal to SAFNA membership for the support in bringing this Women's Convention to the Northern California Area to be held in Sacramento, California.

The vision of this committee is to enlist the participation of outlying areas including but not limited to; Contra Costa, Napa/Solana, Sierra Foothills and the American River Area as a collaborative on this convention.

Below is a brief description of who and what COS is;

Part 1 Guidelines - How Circle of Sisters functions as a traveling NA convention

The Part 1 guidelines were approved at the COS bid/business meeting March 3, 2001 and amended in 2002, 2003, and 2005.

1. The name of the convention is: Circle of Sisters Women's Convention of Narcotic Anonymous. (Hereafter referred to as COS)
2. **COS must be hosted by an Area or Region of Narcotics Anonymous.**
3. An Area or Region, in making a bid to host COS, agrees to these guidelines and to adhere to our bid guidelines.
4. COS is a convention for the women of Narcotics Anonymous.
5. COS is held annually in February or March.
6. Distribution of Surplus Funds:

A COS convention, after paying all expenses, will divide any remaining funds as follows: 50% to the following year's convention host committee (not to exceed \$5000 USD), 20% to the host committee for the convention two years away (not to exceed \$500 USD), 15% to the hosting Area or Region, and 15% to the World Service Office. Funds will only be forwarded at such time when future convention committees are official subcommittees of an Area or Region of N.A. and when these future convention committees have established bank accounts in the name of their convention.

Part 2 Guidelines - How to put on a Circle of Sisters convention

An Area or Regional Service Committee of Narcotics Anonymous that wishes to bid to host a future Circle of Sisters convention is asked to provide the following information:

1. **A letter from the ASC or RSC stating the service body has approved the bid.**
2. A letter from the proposed hotel indicating the proposed terms of the hotel contract.
3. Information regarding transportation from the nearest major airport to the proposed hotel, as well as information regarding alternative transportation such as train or bus.
4. The names, clean dates, and service resumes of the NA members who commit to serving on the convention committee, if the bid is approved.
5. Why you would like to host a Circle of Sisters convention.

SAFNA Fiscal Responsibility?

The hosting Area or Region has ultimate financial responsibility for the COS convention it hosts, however the COS Host Committee will make every effort to minimize financial risk. Should there be financial difficulties; the Host Committee shall approach the hosting area or region for guidance. (taken from COS guidelines)

As it reflects in the COS guidelines we will be committing to fundraising activities throughout the region via COS subcommittees from different areas to ensure COS convention financial responsibility is met.

According to the COS advisory committee; in the last eight years of this convention, COS has been totally self-supporting in its entirety

Attached is the full history and guidelines for the COS convention.

We, as a pre-planning committee are asking for the acceptance, support and a letter of approval for our bid to host the 2010 Circle of Sisters Convention of Narcotics Anonymous.

As a result of there being no bids submitted at the time of the COS convention in Chicago, the COS Advisory Committee has extended the time allotted to submit bid proposals to May 2, 2008. Due to the time constraint for making an informed decision, we encourage SAFNA to endorse this proposal. This will give the pre planning committee the time needed to work on the requirements of the bid guidelines before submitting to the COS Advisory Committee.

Sincerely,

The Woman to Woman pre-planning committee,

Circle of Sisters Women's Convention of Narcotics Anonymous

Guidelines – Approved February 2005

History

The Circle of Sisters Women's Convention of Narcotics Anonymous was started in Portland, Oregon by a group of recovering addicts who had a vision of an annual convention for the women of our fellowship. The first convention, held in February 1998, was called the Pacific Northwest Women's Convention of Narcotics Anonymous #1. At that time, the organizers anticipated the convention would become an ongoing tradition in the Pacific Northwest. COS quickly outgrew its origins, however, and the second year the words "Pacific Northwest" were dropped. In its third year, COS ventured far from its roots, all the way to Houston, Texas. And in its fourth year, COS became an international NA convention by being held in Vancouver, Canada.

At the third COS, a decision was made to form a COS Advisory Committee to help provide continuity as the Circle of Sisters grew and traveled further afield. And at the fourth convention, the first version of these Guidelines was approved.

COS is a convention created by and for the women of Narcotics Anonymous. In keeping with our third Tradition, no addict will be turned away from any NA meeting. However, other convention activities may be restricted to women only.

Part 1 Guidelines - How Circle of Sisters functions as a traveling NA convention

The Part 1 guidelines were approved at the COS bid/business meeting March 3, 2001 and amended in 2002, 2003, and 2005.

1. The name of the convention is: Circle of Sisters Women's Convention of Narcotics Anonymous. (Hereafter referred to as COS)
2. COS must be hosted by an Area or Region of Narcotics Anonymous.
3. An Area or Region, in making a bid to host COS, agrees to these guidelines and to adhere to our bid guidelines.
4. COS is a convention for the women of Narcotics Anonymous.
5. COS is held annually in February or March.
6. Distribution of Surplus Funds:
A COS convention, after paying all expenses, will divide any remaining funds as follows: 50% to the following year's convention host committee (not to exceed \$5000 USD), 20% to the host committee for the convention two years away (not to exceed \$500 USD), 15% to the hosting Area or Region, and 15% to the World Service Office.
Funds will only be forwarded at such time when future convention committees are official subcommittees of an Area or Region of N.A. and when these future convention committees have established bank accounts in the name of their convention.
7. Fundraising:
The following year's convention will provide a full registration package (to their convention) to be used as a fundraising prize for the current year's convention.
8. Should no Area or Region come forward to host COS, seed money will be held in trust by the last hosting Area or Region until an Area or Region comes forward with a bid. If a period of five years elapses where no Area or Region comes forward to host COS, the remaining funds will be disbursed to the WSO.
9. The hosting Area or Region will consult with the COS Advisory Board on issues affecting COS as an ongoing entity. The COS Advisory Board will be composed of previous and current Chairs of COS Convention Committees.
10. Hosting Areas or Regions will provide copies of their records to the COS Advisory Board after their convention. These records would include: financial reports, meeting minutes, and committee guidelines used.
11. These guidelines may be amended at the annual COS business meeting held at each convention.
12. COS will maintain a website. The costs of maintaining the website will be paid by the convention committee for the next upcoming COS convention. A website coordinator will be appointed or ratified by the Advisory Board as necessary.

Part 2 Guidelines - How to put on a Circle of Sisters convention

An Area or Regional Service Committee of Narcotics Anonymous that wishes to bid to host a future Circle of Sisters convention is asked to provide the following information:

1. A letter from the ASC or RSC stating the service body has approved the bid.
2. A letter from the proposed hotel indicating the proposed terms of the hotel contract.
3. Information regarding transportation from the nearest major airport to the proposed hotel, as well as information regarding alternative transportation such as train or bus.
4. The names, clean dates, and service resumes of the NA members who commit to serving on the convention committee, if the bid is approved.
5. Why you would like to host a Circle of Sisters convention.

Bids are awarded at each COS convention for the convention two years in the future. Please notify the COS Advisory Board of your intention to make a bid approximately two months in advance of the convention where the bids will be heard. Bids should be provided in writing to the Chair of the current convention committee, for presentation to the Advisory Board at the Friday evening Advisory Board meeting. Bids will then be presented at an open bid meeting on Saturday. The Advisory Board will announce the two year out location at that time. If there are no complete bids at that time, the Advisory Board will grant an additional period of time (such as 60 days) for those who presented incomplete bids (and only those) to complete their bids. The two year out location will then be announced on the COS website.

Once an ASC or RSC has been advised that its bid was successful, elections are held to form a convention committee.

We have found the following guidelines helpful for organizing a convention committee:

Purpose

A Circle of Sisters Host Committee is formed to plan and implement the Circle of Sisters Women's Convention of NA.

Guidance

The Host Committee and its subcommittees will follow these written guidelines, other written procedures the Circle of Sisters approves for the working group or subcommittees, the Twelve Traditions, the Twelve Concepts, and the NA Convention Guidelines. At all times a clear NA message of recovery and service will be a priority.

Responsibility and Accountability

The Circle of Sisters Host Committee is accountable to the hosting area or region.

Financial Responsibility

The hosting Area or Region has ultimate financial responsibility for the COS convention it hosts, however the COS Host Committee will make every effort to minimize financial risk. Should there be financial difficulties, the Host Committee shall approach the hosting area or region for guidance.

Reporting

The Chairperson (or appointed representative) will make regular written reports, including financial statements, to the hosting area or region as to the business of the Circle of Sisters Host Committee.

Meeting Schedule

A meeting schedule, location and time will be set at the first meeting of the Circle of Sisters Host Committee. Additional meetings may be scheduled if needed. The subcommittees of the Circle of Sisters Host Committee shall meet separately of the Host Committee.

Agenda

The Chairperson (or her designee) shall create and print the agenda for each Host Committee meeting. The agenda may include opening with the Serenity Prayer, reading of the Twelve Traditions and Concepts, reading of written reports, Old and New Business. As well, the agenda may include a section for open discussion.

Membership

The Circle of Sisters Host Committee will consist of four officers (usually a Chair, Vice Chair, Secretary, and Treasurer) and a representative of each subcommittee (usually the Chair of the subcommittee).

Decision-making

Every officer and subcommittee Chairperson shall be allowed to participate in decision-making, whether the Committee chooses to make decisions by voting or by consensus. If voting is used, the committee may decide that the Host Committee Chairperson shall only vote to break a tie. Additional members may also participate in decision-making if they are in attendance for two of the last three Host Committee meetings (including the current meeting).

Motions and Voting

If the committee chooses to use Robert's Rules of Order to conduct business, then any officer, subcommittee chair, or voting member may make or second a motion. All motions must be in writing. All motions must be passed by a 2/3 (two thirds) majority. Abstentions are considered non-votes. The Host Committee may reconsider any motion by request of a member from the prevailing side.

If the committee chooses to use a method of consensus decision-making to conduct business, then any officer, subcommittee chair, or voting member may propose an idea for discussion and decision. Once consensus is reached, the exact wording of the decision must be recorded in the minutes.

Attendance

Regular attendance is necessary for a functioning Host Committee. All officers and subcommittee chairpersons are required to attend each Host Committee meeting. Subcommittee chairpersons may send a representative from their subcommittee with a written report. If someone cannot attend they must notify the chairperson or vice chairperson prior to each Host Committee meeting. If a subcommittee chairperson or officer misses a host committee meeting there will be a motion to hold them in non-

compliance. The Chairperson or Vice Chairperson must notify the member and they must then attend the next Host Committee meeting to state the reason for their non-attendance or their position may be filled at that time.

Non-compliance

Non-compliance does not mean that a member is automatically removed from their position. Non-compliance means that the Chairperson or Vice Chairperson must notify the member that they are in non-compliance. That member must then attend the following month's Host Committee meeting and explain their absence and/or re-commit to their position. Non-compliance includes but is not limited to:

- Non-attendance at a host committee meeting
- Loss of abstinence

Election of Officers and Subcommittee Chairpersons

A simple majority vote is required for election to the Host Committee.

Subcommittees

All subcommittee chairs will provide the date, time, location, and major agenda items of their next meeting to the entire host committee to allow for participation by those interested. At least one of the four officers will be present at all subcommittee meetings.

Decisions

All final decisions will be made at the full Host Committee level. The subcommittees will bring their drafts and recommendations to the host committee for approval.
