God, grant us knowledge that we may serve according to Your Divine precepts. Instill in us a sense of your purpose. Chairperson's Report to the June 6, 2007 Area Service Committee of SacFNA

Debriefing Last Month's ASC:

Last month we agreed to 6 proposals in the last 20 minutes of our meeting. While I think that says something very positive about the trust we've built here and our willingness to be agreeable and to take care of business in a timely fashion, as the facilitator I might have invited more debate and deliberation in order to form true consensus. I will try to be more conscientious and please feel free to slow down the process if my goal-orientation gets the best of me!

Follow Up from Last Month's Proposals:

At our last ASC, we proposed to get the ball rolling on a meeting directory and activities. Tonight we'll consider two or more proposals to make these services a reality.

We also accepted an informal approach to outreach and agreed to recruit volunteers. If you brought lists with names and numbers of volunteers, please turn them in to Dolores who will have copies made later this evening for meetings in need of support.

We agreed to send liaisons to various AR sub-committees. I attended the H & I Subcommittee meeting and encourage you to recruit volunteers for the following meetings with the greatest need:

- ◆ New Folsom Prison Spanish-Speaking Meetings – Wednesday & Friday
 - contact Russ: 916.278.0827
- ◆ Women's Book Study at Sac County Jail – Thursdays, 9:30 am
 - contact Karen: 916.230.2294
- ◆ RCCC Women's Meeting – Wednesdays, 8:00 pm – needs a coordinator!
 - contact Steve L: 916.806.6411
- ◆ St John's Shelter & Program – 1st & 3rd Thursdays, 7:00 pm –
 - contact Jimmy: 916.441.4457
- ◆ Job Corps – Tuesdays, 7:00 pm –
 - contact Karen: 916.230.2294
- ◆ Sac County Mental Health (SCMHTC) – Wednesdays, 7:00 pm
 - contact Pam 916.928.9374

Other Communication with ARANA

ARASC passed the following motion on May 7:

To request and research with an ADHOC Committee of at least Two (2) Admin Members from ARANA and SacFNA for the purpose of making a proposal for shared services, to be brought back to ARANA ASC.

I have not yet been contacted by the ARASC Chair, but look forward to participating in a discussion with other committed, principled members with help from a neutral facilitator with no affiliation to either Area and no personal investment in the outcome.

What We're Doing Well...

Please note that tonight's agenda includes an opportunity to identify what we've done well as a group tonight. I believe we're establishing a very positive culture with high expectations for respectful communication. Let's take the time to reflect on what we're doing right so that we can continue to nurture and develop this positive atmosphere.

In service,
Pamela T.

SacFNA Vice-Chair Report

Not much to report. During our admin meeting we agreed that I should contact the people who volunteered to act as Liaisons to service committees for American River. Depending on what happens with American River and their service committees, we may need to discuss further what we expect from these liaisons.

I also drafted some guidelines for us to discuss tonight on activities and what responsibilities should fall on the groups and the SacFNA ASC. I look forward to helping us develop these guidelines so groups can move forward with developing ideas for activities that support our new Area and provide opportunities for fellowship and celebrations of recovery.

Thanks for letting me be of service.

Administrative Assistant Report June 2007

Good evening. I just want to remind everyone to check the roll call pages for their group name and contact information. If there are any corrections to be made, PINK correction forms are on the back table. Once they are completed they can be turned in to me up front during the meeting.

I am your liaison to the ARANA Newsletter Subcommittee. The Vice Chair of the ARANA Newsletter Subcommittee is here tonight with leftover copies of the Inside Connection. A motion passed at ARANA ASC to allow them to bring unsold newsletters to us to sell here each month; however, they will be printing fewer copies in the coming months due to a decline in sales. I would like to suggest that we submit a standing order each month of, say, 75 – 100 newsletters. I spoke with the Newsletter Chair about this proposal and she and I feel this would be the simplest, most reliable way to assure ongoing delivery of Newsletters.

Thank you for allowing me to be of service,
Catherine B.

Junior RCM Report

Good evening. My report will be brief this month. I did not go to the Regional Service Committee meeting in May due to the Woman-to-Woman Celebration that took place the same day. While I am committed to my service work, I feel it is important to also support events put on by groups within our area.

I attended the Public Information Sub-committee of the American River Area as a liaison from SacFNA. The membership of the PI sub-committee was welcoming and for the most part appreciated our area's reaching out.

I have done some research into this area putting on a learning day. The Regional guidelines for putting an event and receiving funding require that a budget and date for the event be submitted at least six months in advance of the event. The Regional committee will give seed money, up to \$750.00 once the date is approved. If this area wishes to put on a learning day I think we should talk about it soon. The annual budget period for these events begins in July and seed money is provided on a first come, first served basis. Planning this event will take time and effort, best accomplished by a committee being formed for this purpose. I have a copy of the Guidelines with me should anyone care to review them.

Thank you for allowing me to be of service.

Ann M.

RCM's Report

I attended the Region meeting on May 12, 2007. The Regional Events Calendar is included in this month's agenda packet for all of those interested in attending. The minutes from the Regional Meeting are posted on our website <www.sacfna.org>. You will be able to get information about what the other areas in our region are reporting in on.

The July 14, 2007 Region Meeting will be held in the Shasta Lake Area and during proposals I would like feedback as to whether the Jr. and Sr. RCM's will receive money for the mileage. The trip is approximately 348 miles round trip which comes out to about \$150.

Northern California Convention of Narcotics Anonymous 30 will be hosted here at the Sacramento Convention Center. Anyone who would like to be of service at this event should contact Barry Wyatt <JBarrWy@aol.com>.

World Convention of Narcotics Anonymous will be held in San Antonio Texas August 29 - September 2, 2007.

The following information was in our Regional Delegate Alternates' report;

World Unity Day Flyer

For those that are not attending the World Convention; you may opt to listen in on the Sunday Morning World Unity Day Celebration and the speaker meeting in San Antonio via conference call on September 2nd at 9:00 a.m. Pacific Time. Maybe your area would want to hold a unity breakfast or gathering in conjunction with this event? The cost is \$50 per connection for any group, area, region, or institution that would like to do this. The Flyer for World Unity Day (PDF required is at NA.org at: http://www.na.org/pdf/wcna/07_WORLD_UNITY_DAY_eng.pdf

"A.S.S.N.A" Pure Spirit Traditionalist Gathering:

My (RD Delegate Alt.) Florida report last month referenced the fact that there are a handful of long-time members on the East Coast that remain very bitter and resentful towards NA World Services to this day for perceived slights, mistakes or mis-steps that had occurred in the eighties and early nineties. These members are holding a "Pure Spirit Traditionalist Gathering" (a campout) in Hamburg, PA on June 22-24. Amongst their topics will be creating a new or alternative service structure that they view as directly responsive to NA Groups. Of course, some assuredly biased History and Traditions workshops are on the bill as well. These members also use the moniker "A.S.I.S.N.A" or "Alternative Service Informational Structure" and advocate the boycotting of NAWS and the use of their own literature.

Fellowship Development

As I (RD Alt.) reported to you last month, In addition to staffing the Worldwide Workshop in Nebraska, a NAWS travel team is attending the second Middle East Workshop in Bahrain. The first was put together n=by NAWS in 2005 and the promise was to do another in 2 years. Bahrain is the location because this is the only Mid East location that the Iranians are allowed to travel into. The first clean Muslim woman in the gulf, a member from Saudi Arabia who happens to be eighteen years old, is celebrating one year clean at the workshop!

In closing my report I may not be at the September 5 ASC meeting due to an extended stay in San Antonio.

Thank you for allowing me to be of service to you.

Proposal 2, Monthly Speaker Meetings

To hold monthly Speaker Meeting and food events (Pancake Breakfasts, Ice Cream Socials, Taco Feeds, etc. put on by a “host” group in cooperation with volunteers from the Sacramento Fellowship. If approved, GSRs should discuss this possibility with the groups they represent, preferably at a business meeting. If there’s interest and support, please bring proposals back including date, time, location and rental fees.

- Individual groups sponsor the activity, Area sponsors and supports and provides funding.
- Creates unity for groups and fellowship.
- Would like to calendar something as early as July (?)

Concerns

- Single point of accountability – who will be the chair of the event?
 - Each activity should have one coordinator
- Where will proceeds go?
 - Money should go back to SacFNA

Proposal 2 Accepted with this inclusion:

Each proposal should include date, time, location, cost and coordinator with qualifications to be brought back to ASC.

Proposal 3, Volunteers to Support Meetings

To recruit volunteers to attend each meeting that requests support.

Concerns:

- About lists, people being motivated by guilt to sign up but not show up.
- Need to carefully select volunteers.
- Member opposed to proposal as written. Need a specific sign up sheet for members willing to attend meetings needing support.

Proposal 3 Accepted with this inclusion:

One side of sign-up sheet can be used to volunteer for any service and the other side of sign-up sheet can be used only for those who are willing to go to support meetings.

Proposal 4. Liaisons

To send liaisons from SacFNA to the following ARANA subcommittees:

C. Outreach

- What kinds of tasks will liaisons do? Will liaisons carry H&I can funds to ARANA, for example?
 - Not necessarily. Liaisons will carry issues and concerns back and forth and will communicate between areas.
 - Will provide linkages between the two areas.

Proposal 4 Accepted

Proposal 5. Learning Day

To request that our Region's Public Relations Committee put on a Learning Day on our behalf.

Proposal 5 Accepted

Proposal 6. Regional Schedule

To develop, maintain, and print a schedule twice yearly listing meetings in the Greater Sacramento and surrounding areas – East to Placerville, Auburn, Nevada City/Grass Valley; West to Fairfield/Suisun; North to Marysville/Yuba City; and South to Lodi (plus the 2 Stockton meetings in American River).

- Sell for approximately \$1.00 at our meetings and give free to newcomers
- May sell for more to other Areas

Concerns

- RE: the Stockton meetings are in a different Region
- Don't include Stockton Meetings

Proposal 6 Accepted, move forward to determine actual cost, don't include Stockton meetings.
