ASC Chair Report

Welcome everyone to the September ASC for the Sacramento Fellowship of Narcotics Anonymous. Our Admin meeting was on August 19th. We discussed a variety of topics.

- o Region
- o SacFNA Guidelines
- o World Unity Day/Pancake Breakfast

Along with facilitating our admin meeting, I attended the World Unity Day pancake breakfast and meeting. It was a great event. I'm sure we'll hear more about it in Joel's report. I was able to help sell newsletters and a few penny a day pins.

Tonight we will go over suggested guideline changes.

Thank you all for letting me be of service.

World Unity Day event information:

I would like to thank all who were of service and all who attended. It was a huge success even though there were some technical difficulties at first with the phone hook-up. We made the best of the circumstances and I thank you all for your understanding. Now the numbers:

The original budget for the event was \$525. The actual budget came out to \$655.37 which is \$130.37 over budget. Now hold on, I know that sounds like a lot, but let's look at the income. We budgeted for 100 tickets being sold at \$5 for an income of \$500, we actually sold 178 presale and 32 same day tickets for a total of \$1114.00 in ticket sales (210 tickets). We anticipated a 7th tradition of \$75 and brought in \$116.78. Our Income was \$1230.78. We budgeted a \$50 area donation but I am pleased to announce that we will be making a donation to the area tonight of \$575.41. I have created a binder with all the information to for our Policy person to keep with the archives. It is only through the awesome members of this fellowship that this was all possible. I am ever grateful to all of you for trusting me with this huge endeavor and I look forward to our next event.

Yours in service,

Joel A., 916-616-8566

RCM Report

Good evening all!

I know that this report looks overwhelming, but I assure you that I will not be reporting on its entirety at the ASC. Please take the time to read it and if you have any questions, please feel free to contact me.

For those of you who would like to access the complete minutes and treasurer documents from the bi-monthly RSC meetings, you can go onto www.norcalna.org and access them through the RSC tab. The **username: ncrsc and the password: recovery**.

The results of the inventory were very beneficial. Topics that came up under multiple headings that the RSC and RCMs need to work on include communication, visibility, creating enthusiasm for service and training. The Action Plan was passed, which included the approval of a bi-monthly RSC. To address the concerns regarding missed communications in the interim months, an online board will be created for Area reports and an RSC Treasurer report.

Upcoming Dates/Events:

September 12-13	Traveling RSC in Eureka, CA
September 15	Deadline for review and input on <i>Living Clean</i> chapters 1 and 2
September 26	Regional PR and H&I Forum
October 23-25	WSLD in Fresno, CA
December 31	Deadline for completion of 2009 Membership Survey

RSC Admin Reports:

Chair:

No report for the ASC.

Vice Chair:

The other important part of discussions [at the Board of Directors meeting] was the need for more members on the BOD. There are 3 open Pool Seats (2 year seats) and 1 open Direct Elect Seat (1 year seat). The open positions are: Assistant Treasurer, Secretary, Office/ Operations, and Insurance/ Contracts. Information about the Board of Directs is online @ www.norcalna.org.

Living Clean – The Journey Continues: From the July 2009 NA Way: Any member interested in assisting with creation of this book- length piece is encouraged to get involved. There are several ways to engage in the book's development. It is our hope that as many members as possible offer their experience, strength, and hope so that this new book will speak to our fellowship about living clean over the long haul. The latest innovation is an online discussion board that is PUBLIC and open to members of the fellowship. We sent out an e-blast inviting people to join the discussion board to participate in development of "Living Clean." This discussion board is open to any NA member. Upon registering, you develop a screen name of your choosing and have the option to hide your email address. The link is <http://naws.org/lc>. The discussion board is organized by chapters and the topic outline for each chapter is posted for easy reference. Of course, the tried and true method of sending input to us via regular postal mail is available for all aspects of this project. Send to NA World Services; Living Clean; Box 9999; Van Nuys, CA 91409. The outline, Chapter 1, and Chapter 2 went out for review and input at the beginning of June, with an input deadline of 15 September 2009. The review and input process and the drafts are available here: http://www.na.org/?ID=Living_Clean_Project. We hope members who wish to be involved will read the material and share their thoughts with us.

2009 Membership Survey: Every two years we attempt to gather information about our members, and the time to gather that information is now! We encourage areas and regions to actively encourage their members to participate. To complete the survey online, go to <http://questionnaire.disc.na.org/> or download the PDF versions, available in various languages, at <http://www.na.org/?ID=PR-index>. Feel free to copy and mail or fax surveys to NAWs. The deadline for survey completion is December 31, 2009.

Secretary:

Nothing to report to the ASC

Treasurer:

As for the treasury, all accounts are current and reconciled. ***If anyone here at the ASC would like to see the financials, please see me. ***

Lastly, this body made the decision to suspend sending donations to World based on the excess amount that was sent over a period of time this last fiscal year. To date, we continue to be under prudent reserve. Our guidelines state that when we are under our prudent reserve we will send a \$100 donation to World. This needs to happen this month since it's a new fiscal year unless this body wishes to continue suspending donations. I do believe we are still well over the amount we should have sent to World.

RD:

April 2009 World Board Meeting-Literature Development update:

- The Polish speaking community has completed translation of Book 1 of the 5th Edition Basic Text. Given that it has taken them several years to translate this version of the book, the World Board has authorized production of Book 1 of the 5th Edition for now.
- Australia has requested permission to create their own personal stories for inclusion in *The Little White Book* in their community. The Board has authorized this but asked that they work with the New Zealand fellowship to include potential stories from their members as well.
- The Iranians are translating *Miracles Happen* into Farsi. However, they will need to include several footnotes to explain certain cultural phenomena that were specific to the US in our fellowship's early history such as references to Bob Dylan, etc.
- The Swedish version of the book *Just for Today* will be in production shortly.

NAWS 2009 Environmental Scan: An environmental scan is similar to an inventory; NAWS looked at external and internal factors that may influence Narcotics Anonymous. This scan provides a variety of information about drug use, criminal justice, and treatment trends throughout our worldwide fellowship. The environmental scan is the World Board's first step in the development of project plans. The World Board held their second planning meeting in June. With each identified trend, NAWS considered how this will affect our members, our meetings, our service communities, and our public relations. The Board will take all identified trends, especially ones that would benefit from a more immediate response to help us maintain the integrity of our message of recovery, and develop the goals and objectives to help us address these trends. This work will result in the project plans for the 2010-2012 conference cycle, as well as the NAWS 2009 membership survey.

H&I:

General Notes from the meeting: The H&I Forum will meet in Greater San Jose in September 26th at 9:00 am at Steven Creek Park. It will be a joint meeting with PR. H&I agreed to try three meetings shared with PR. After the meeting is the annual H&I Barbecue. At GSJ meeting will be creating a book on how to raise extra funds and support for H&I. Everyone is going to bring examples of what they do to raise support and will put them in a hand out form for future subcommittees that ask how to do it.

We're hoping to move our November meeting to a different weekend because of Thanksgiving. We have some internal guidelines that we want the forum to approve.

PI:

Please ask your areas to get me any requests for the PR booth or outreach support asap so that we can plan early.

NCCNA:

We are now ready to go live with online registrations and are waiting for the website changes for that to be in effect. I expect that to happen within the next week.

RSOBOD:

Shipping costs will be going up.

Western States Zonal Forum July 24-26 Tempe, AZ:

We will hold the next formal meeting of the Western States Zonal forum January 29th, 30th, 31st 2010 at the Island Palms Hotel in San Diego. The focus of the forum will be training and orientation for WSC 2010, the 2010 Conference Agenda Report, and the 2010 Conference Approval Track

The Forum will meet during World Service Conference in April 2010 and will evaluate the effectiveness of the changes so far, understanding that the 2009 WSLD will probably not be a quality representative sampling of what future forums at WSLD may look like with everyone in attendance.

NAWS Environmental Scan:

These are topics that came up during the NAWS Environmental Scan. I have included the suggested solutions/target trusted servants that each applies to. **This is not intended for discussion at the ASC level until World asks for feedback. I am presenting this as information ONLY.** For a better understanding of what an environmental scan is, please see the RD report above. To see the entire presentation, please see me, as I am happy to email both the notes and the PPT presentation.

- TREND: The growing attitude that addiction is treatable through medication.

The first two trends, and possible responses, would be important for your local H&I/PR groups to discuss and consider in their strategic planning. Of course, number w also lends itself to discussions about “common needs” meetings and targeted literature.

- TREND: The continued increase in drug usage by 18-25 year olds, as well as the growing number of baby boomer addicts (age 45-60) who suffer primarily from pharmaceutical addiction.
- TREND: The exponential growth and demand for service in some areas outside of the US, and the concurrent decline in the capacity of NAWS to meet this demand.

The third trend isn't very actionable for our local communities; it's one that World Services mostly has to deal with. However, a general awareness of the dilemma that the emergence of NA in India, the African Continent, and possibly eventually, China, and the concurrent challenge to our resources, may help increase financial donations to world services and help combat some of the unawareness of our communities to the needs of the non-US fellowship.

- TREND: unexplained lack of growth in the US fellowship.

Finally, the fourth trend may be interesting to examine and see if it holds true in your area. It may lead to some interesting strategic planning discussions.

Thank you for allowing me to be of service.

Public Relations

PACT: The Sacramento PACT meeting is in need of volunteers. My work has become priority so I cannot commit a day to attend the PACT mtg. I have a volunteer who is committed to the first Tuesday of the month. The rest of the days are up for grabs. I attended the first Yolo PACT meeting which was Aug 6th. The Yolo PACT is only once a month and on the first Thursday of each month. This was a great success considering there were only 33 parolees compared to about 80 that usually attend the Sacramento PACT. Just about everyone came to our table and talked to us. I passed out more literature and schedules than anticipated. The Parole Department was very glad that we were in attendance. We have two solid volunteers who will be attending regularly.

Parole and Probation: We have continued with this task. One probation office dropped its schedules and a parole office increased the amount of schedules so it is an even wash.

I attended the Regional PR sharing forum via “goto meeting” software from my home computer. This saved me a couple of hours of drive time and fuel to Fairfield and I could keep an eye on my 4 year old at the same time. Over all it worked out pretty well. The downside was they did not have a video projector set up so I could not see anyone although I did view someone's computer screen and there were some

audio issues with people who were too far away from the microphone. They said they are buying a better audio system and the visual effects will be running next time.

This was a combined meeting where H & I and PR both attended and this will be the future format and will be held on odd numbered months. The next meeting is Sept 26 and is in San Jose where there will be a BBQ as well. I will be attending this meeting. The next meeting after that is in Fairfield will be Nov 14th. If you have a computer with a microphone/speaker you are welcome to attend. You can also call in to get the audio. If you are interested let me know and I will get you the access information.

The meeting was 4 hours long. We talked about the PR booth that is available for area's to use. We talked about fundraising in PR and H & I. They brought up the "Recovery is real" event and it was obvious that most of the participants were not happy with the decision from SACFNA and ARANA to not attend this event. They said in the future, regional PR will be looking at attending. They also mentioned that there was an inquiry to World on the subject and there response was we should absolutely attend this event. I am sure there will be more to follow on this topic.

I received a request to get speaker for a recovery panel at the Stephen Ministry meeting at Trinity Cathedral on February 22 at 8 p.m.

Cosumnes River College in Elk Grove is putting on a Community Resource Fair and has requested NA to staff a booth for the Oct 08 2009 event.

I am getting more information on both of these and I will report back you.

Lastly, I will be out of town from Sept 11 – Sept 21 so I will not be attending the admin meeting.

HELPLINE

As a result of playing the recording at last ASC I was able to acquire 6 new volunteers, which only leaves 25 more slots to fill the 3rd volunteer positions.

There were 3 people who left VM who wanted to volunteer that I called back and left messages but was not able to contact them. If you are present at ASC please come see me.

H & I Report

(1) H & I is looking at the possibility of putting on an "NA Blues Fest" next May or September to benefit H & I literature distribution inside H & I facilities. More as we formulate our plans.

(2) Always need volunteers to go into facilities. Updated facilities guides are available.

(3) Due to budget cutbacks, clearances for volunteers are taking what seems to be forever. Please, if you've turned in an application, don't lose patience.

NA Service Prayer

God, grant us knowledge that we may serve according to Your Divine precepts. Instill in us a sense of your purpose. Make us servants of your will and grant us a bond of selflessness, that this may truly be your work, not ours- - in order that no addict, anywhere, need die from the horrors of addiction.

Adapted from the NA Basic Text, page xvi

Roll Call Group Question of the month:
- C. Approval of Minutes from July 1, 2009 - **Consensus to approve minutes obtained.**
- D. Proposals

Proposal 1: To increase the budget line item for H&I from \$300 to \$450 to help carry the message to addicts in Hospitals & Institutions.

Q. How does the line item affect the budget?

A. We use the money that is from the can and spend then supplement with the area budget.

Q. How does the money get collected for area?

A. The money is given as donation and added to the area bank account and disbursed to region for H&I Literature.

Q. What increase has happened at area to request the additional funding?

A. H&I have reviewed the treasurer's report and the region is getting more money so we are requesting more money to help meet the needs of this area before forwarding money.

Q. Do H&I have a budget to work from?

A. The budget is \$300 that the area has allocated plus any additional monies that are collected by the cans. The can money has averaged approx. \$500.

Q. Do you budget money for each facility?

A. Not at this time. But we are willing to work on this

H&I is one way to help carry the message and it is nice to leave literature behind. For lock down facilities we do not leave books only IP's, White books and Schedules.

Test for consensus: Consensus was obtained.

V. Brainstorming & Dialogue

Review ARANA Liaison Position: 12/03/2008 – Action Item to review ARANA Liaison position at April 2009 ASC. We were asked to review the position of Liaison at the April ASC to see if we wanted to continue the position. This will be brought to the September ASC.

Recovery Happens event discussion:

Don't think that if we only sit in a booth, we are not violating traditions.

Sponsored by political action groups and recovery groups and our traditions state we do not affiliate with any outside organizations.

We need to verify what the intent of the event is and not to identify us with the event.

An NA meeting is held at the event every year in the capital. Where does that fall into traditions?

The difference is that this is a political rally that is sponsored by political action groups and that is not correct.

Mather community campus was asked to host the meetings since they are a recovery transitional living.

Our PACT meeting is at a law enforcement agency yet this is ok.

Test for consensus: There was consensus to send the RCM to region with a vote that we do not support this as an area and that this is a violation of traditions.

Prudent use of NA funds (\$10,000) sending the RSC on the road:

The money set aside is a squandering of NA funds and should not be used. In fact would like to have the money that was set aside to be rescinded and put back in the treasury.

The reason that the region was doing this was to let the outlying areas know that they are important and show unity. We should allow the travelling RSC to continue.

The money would be used for gas for 1 car and one room for each area. The money also was being used to rent meeting rooms for the RSC.

Money not spent will be given back to the budget.

RCM's will take the group conscious to region.

VI. Additional Proposals

Proposal 2: To allow admin to vote equally with the GSR's. **Will be tabled to next month.**
