God, grant us knowledge that we may serve according to Your Divine precepts. Instill in us a sense of your purpose. Make us servants of your will and grant us a bond of selflessness, that this may truly be your work, not ours- - in order that no addict, anywhere, need die from the horrors of addiction.

Chairperson's Report to the September 5, 2007 Area Service Committee of SacFNA

Our experiments continues...

Sign-in Sheet: Signing-in on the clipboard and giving updates and announcements in writing seemed to help the flow of quorum call & group reports last month, so we're trying it again. Please be sure the clipboard gets around -- initial to indicate your attendance, note any schedule or GSR changes, announcements, problems you'd like help with, and/or topics you'd like to hear discussed in our brainstorming session. All of this information will then be projected as we you give a verbal report.

Color-coded Consensus Decision Making

We'll also continue to experiment with colored cards to facilitate discussion and decision making. I'm finding it helpful to think of them like a traffic signal with orange being a shade between red and yellow. Anyone in the room can participate in discussion, so there are more card sets on the back table if anyone needs them. When we come to the moment of consensus, however, only one representative from each group should register their agreement or dissent. In other words, if you're an admin member, a visitor, or an alternate GSR attending along with the GSR for your group, please allow your group's conscience to be registered just once.

Public Relations

Dolores, Ann, & I attended the PR training offered at the Nor Cal Regional Service Office last month. The River Cities Area seems to be furthest along in applying the concept of a "PR umbrella" that's described in the new Public Relations Handbook (available at: http://www.na.org/handbooks/PRHB_Final_24Oct06.pdf). The key idea is that in order to achieve our vision of "recognition and respect for Narcotics Anonymous as a viable program of recovery" it's helpful to think about the needs of whole communities instead of considering hospitals and institutions separately from the rest. As we carry our message to community events or locked-down facilities, we want to demonstrate the unity and cooperation of our program in action. The classic and often described problem of the old subcommittee model is that when the Public Information folks (who tend to clean up pretty good) show up to meet with officials in ties, then the H & I volunteers show up to do a meeting with Harley t-shirts and full-sleeve tattoos, it makes us appear a little schizophrenic. It's hoped that the increased coordination of these two functions (PI and H&I) would provide a more cohesive approach and improve our relations with outside entities.

Meeting w/ARANA on Sharing Services

A third meeting regarding coordinated and/or shared services between our Area and the American River Area was cancelled due to poor attendance on the part of ARANA admin. The motion that formed this committee specified that at least 2 members from each admin team (SacFNA's and ARANA's) attend. No AR admin members showed up, so the meeting was cancelled.

Sac & Surrounding Schedules

The second printing of our schedule booklet is available tonight. After selling them at Sierra Foothill's ASC and at the regional meeting, the remaining "Summer 2007" schedules were purchased at cost by a few members (allowing us to break even) and donated for distribution through American River's Hospitals & Institution Subcommittee. The updated "Fall 2007" Sacramento & Surrounding Communities Schedules are available here for 75¢ each and can be downloaded from our website for free.

In service,

**September ASC
SacFNA Vice-Chair Report**

We have a lot to cover tonight, so I'll keep it short.

I attended our admin meeting in August, where we reconciled our bank account and discussed the idea of events or activities for our fellowship. These will be covered in greater detail later during this meeting.

I was unable to attend the ad-hoc meeting with ARANA concerning shared services. The results of that meeting have either already been brought to the attention of this group, or will be covered shortly I'm sure.

Thanks for letting me be of service.

Eric K
Vice-Chair

Policy/Procedures Person's Report

Hi,

I attended the last Adhoc meeting for shared services with ARANA on August 27. There was brief discussion on the idea of shared H & I meetings. They had reportedly begun to discuss the pros and cons the month prior when it was decided to postpone further discussion until the H & I subcommittee could be represented. Though the H & I Chairperson was present for the meeting, ARANA was not well represented at this most recent Adhoc meeting so the Adhoc chair cancelled the meeting. Another meeting will be scheduled for September in hopes of developing a solution to H & I services, which the Adhoc committee would report to the ARANA ASC.

Our SACFNA Admin meeting was once again productive; you are invited to attend if you are interested in attending on the third Wednesday of each month at 7:00.

Thank you for allowing me to be of service,

Russ H.

Treasurer's Report for September 5, 2007 SacFNA Area Service Committee Meeting

Hi Everyone-

There was a financial audit at the August admin Meeting. There was a 53 cent discrepancy, which we reconciled. We will not formulate an annual budget until the September admin meeting. I will present this budget for your review and approval at the October area service meeting. Sorry for the miscue from last month.

As usual, I have also attached a statement of account, which is updated through August 29, 2007. Please don't hesitate to contact me with any questions or comments. My email address is: davidhmayer@yahoo.com, and my phone # is 802-7425.

In loving service,

Dave M, SacFNA Treasurer

RCM Report September 2007

Good evening. Both Carlos and I attended the Regional Service Committee in August. I presented the Sacramento Fellowship's report.

There were four topics discussed during Area Forum last month. These topics were as follows:

1. East Bay Central; Requested to hear what other area's H&I committees are doing as far as men going into women's facilities and vice versa.
2. East Bay North; How to get meeting attendance at Area.
3. Marin; Concern about "Narcotics Anonymous" being on flyers rather than the NA symbol.
4. Marin; Asking for letters of reference from successful relationships with facilities, writing thank you notes, giving gifts.

Area Forum allows for the open discussion of topics that an area has concerns or questions about. There is generally a consensus of ideas that the RCM can then take back to their area.

The Regional Delegate has requested that ASC's consider hosting a Conference Agenda Report Assembly (CAR) in 2008. I believe that the SacFNA should consider this; it would help build unity between our area and other nearby areas. In order to make this a viable option, the RSC has the following guidelines:

The RSC will pay all expenses that are in accordance the guidelines:

Budget:

1. Each zone may spend a maximum of \$500 for their bi-annual CAR assemblies.
 - a. The total RSC cost annually will be a maximum of \$2500.
2. Budgeted cost includes Facility cost and fliers for all meetings within the zone.
3. The fliers must be distributed 2 months prior to the assembly
 - a. The number of fliers will be determined by the number of meetings and/or groups within the zone.
4. Copies of all pertinent information, needed for the assemblies will be provided by the RSC, at additional cost, above the \$2500 budgeted for the assemblies.
 - a. The content of this information will be determined by the RD and RDA, and will be consistent at all assemblies.
 - b. Copies of the Conference Agenda Report will be made available for sale and loan at each assembly

Host Area RCM

1. Coordinates with the RDA to arrange the dates and location of the CAR assemblies within their zone.
2. Distributes fliers to all areas within the zone 2 months prior to the assembly.
3. Works with the host area or areas within the zone to put on an event, if the area desires, in conjunction with the CAR assembly.
 - a. Financially supported by the area or areas involved.
4. Performs misc. tasks as needed.

I believe that we can accomplish a CAR Assembly within the budgetary guidelines and Host requirements. I hope we can discuss this during proposals.

NCCNA XXIX finally closed their books. The Convention donated in excess of \$98,000 to the RSC. Any amount over the RSC financial requirements will be passed on to the WSC.

Thanks you for allowing me to be of service.

Ann M, RCM

- ii. RE: Section FOUR, Article III on voting
 1. Re: seventh concept –
 - a. Allow Admin Members to vote

Question: Does the concept discuss the right to vote or right to express one’s conscience?

Response: Concept addresses full participation.

Question: Which Concepts are being discussed here?

Response: Concepts 2 and 7. Now is the time to interpret the concepts – consider how they apply to this particular topic.

Question: Are we talking about elections only or about proposals?

Response: Current guidelines state in Article 1, Section B, admin votes in case of a tie. Currently, the ASC only takes votes during elections.

Arguments in Favor	Arguments Opposed
This is a team effort. Full participation is needed.	Groups make the decisions. Admin members do not represent a group and should vote in their home group.
How would I feel participating in service without having a vote?	Admin membership adds up to a large percentage of this group. While this area is small, suggest that Admin not vote.
Admin opinion is as valuable as ours.	We need to learn more about this. Take back to groups
Final authority rests with NA groups. Groups have entrusted GSRs to elect Admin. All should to handle business at ASC.	Final authority rests with NA groups. Groups have entrusted GSRs and Admin to handle business at ASC.
	Everybody has a vote at their home group and that’s good enough.

B. Proposal 2: Section SIX. Article 2. Remove proposed last sentence and add new first sentence to read: “Any member of the Sacramento Fellowship of Narcotics Anonymous ASC” can bring a proposal to the SacFNA ASC.

Insert as next sentence “Any other member of Sac FNA can bring a proposal to the SacFNA ASC through the group conscience of his/her home group via their GSR.”

Arguments in Favor	Arguments Opposed
Admin members help us get work done here – facilitate the process and help us move forward	

PROPOSAL 2 TAKEN BACK TO GROUPS – GUIDELINE CHANGE.

Sr. RCM July Report

I attended the monthly Region meeting in Shasta and arrived early enough to sit in on most of the H&I meeting. It was nice just to listen in and hear how the other Area H&I committees are doing. They are considering sharing some lists of members who may be willing to fill in some Prison Fire Camps that need help so the meetings don't go dark.

The Region meeting went well with some people asking if we received prior permission to include meetings outside of our Area in our schedule. I responded I didn't know but that I didn't think we should have to ask permission since we are all one fellowship. Many other RCMs liked the idea of a regional schedule and took a Meeting Book to show their Areas and maybe consider one of their own.

NCCNA reported a \$98,000.00 profit after all the receipts were collected for the 2007 Convention.

We put off responding to our June Regional Inventory Workshop until September and anyone interested is welcome to sit in and participate. (2nd Sat. in Sept. 1:00 P.M.) In Ann's report last month you can review the topics we will be discussing and wanting to maybe change. Number one on the list is No Robert's Rules of Order.

I also attended the meeting with American River Area regarding some shared services, and it went very well. On top of the list were discussions of Pro's and Con's for PI and H&I and more will be revealed soon as to how this may play out.

I attended the Admin meeting and helped out with the Guidelines Review.

Important Dates:

August 30th - September 2, 2007 WCNA 32 San Antonio TX.

September 2007 - Approval form of Basic Text 6th Edition released

November 9-11 NAWS Literature Distribution and Convention Workshop, Woodland Hills, Ca.

Please go to the Regional Website and read the Regional Delegate-Alternate Report there are interesting bits of information regarding what's happening with the NA Fellowship in other parts of the World like China, Nicaragua, Puerto Rico, Mexico, Quebec, Europe and more.

Thank You
