Chair Report

Welcome everyone to the October ASC for the Sacramento Fellowship of Narcotics Anonymous. It's not the end of the year yet, but I think we should take an opportunity soon to look back at what we accomplished this year, and plan ahead for next year. I know that tonight we have a number of task leader elections to take care of, and hopefully dealing with the revised guidelines that were presented last month.

One thing associated with next year's ASC that we should discuss is location. I understand that the previous location has contacted us about returning, and I believe Pam will have some information to share about that.

Literature Coordinator Report

First I would like to thank the ASC for the support with last month!!! Without all those who stepped up in time of need, I'm not sure what I would have done, so, THANK YOU!!! You know who you are!!!! This transition into lit coordinator has been pretty smooth so far, I will continue to do my best to fulfill the requirements of this position!!!! I would also like to ask that all those groups placing orders please make sure that group names and group numbers be on the order forms as it makes the processing of orders much smoother!!!! And those groups that didn't receive their copy of their order last month, I apologize and will do my best to correct that for you!!!! If you want last month's copy please see me after the ASC meeting.

Thank you for letting me be of service
Javier

Thank you all for letting me be of service.

Eric K.
ASC Chair

Vice Chair

I attended Unity Day Planning Meeting (Submit budget tonight from planning committee). Next Unity Day meeting is October 17th ,11:15 at Trinity Cathedral at 27th & Capital.

I asked Outreach to participate in New GSR orientation and Jay is present tonight should anyone have questions regarding functions of Outreach and the progress of their guidelines.

Please review and reflect on Internal and External Tasks so you will know best who to approach regarding any questions and concerns and to get a better understanding our Sac. Fellowships service structure. Remember we are here to help should groups need help hosting any events. In September is was able to assist with the Thanksgiving Narathon and build upon the success of last year's event. (Tonight Submit Budget Request/ Seed Money tonight)

A reminder all addicts are welcome to attend the monthly Admin meeting (October 21st 7:00 P.M.) to join in discussions about our area and Region.

Respectfully,
Carlos H.

Policy and Procedure

Will be going over the guidelines we handed out last month and will be asking for a proposal to accept the guidelines. Thank you for letting me be of service.

Richard N.

Admin Asst

Please review the sign in sheet as it is passed around. Verify all information is correct including meeting times and address. If there are any changes please make them on the sheet. Please have contact information current for your group, including contact information for GSR/Alt GSR. If you would like to receive the agenda packet and minutes by email, please have a current email address on the email sheet. Add your information to the email sheet if it is not already there.

The Roll Call question of the month had to do with the NAWS website. If you have not been to the site, please take a look. From the homepage you can click on Services to Members, then the Find a Meeting, then Option #3: NA Meeting Search. You enter your information and look for meetings by location.

Please take a moment sometime this month to find your meeting. If it is not there, please complete a New Group Registration or Group Update form to have the information listed.

Yours in Service,
Joel A.

NO RSC BUSINESS MEETINGS IN NOV, JAN or MARCH

****GSR's**** If you have events to post on the Regional website or insurance questions, concerns or requests, PLEASE pass them on through myself or Debi H. rather than contacting the RSO individually.

Some things to remember: The RSC is looking for members willing to be of service. If you have 2 years or more continuous clean time and are willing to be of service, please go online to www.norcalna.org and fill out a Regional Pool Form. Also, if you are willing, please take a couple of minutes to fill out the membership survey for NAWS.

The Travelling RSC in Eureka was great. The workshops were well attended and some great discussion was had. The book review was informational and enlightening. The next chapters will be coming out at the beginning of the year...I will keep the Area informed on those developments. Member participation is important in the development of new literature.

A number of discussions are happening at Region regarding the way that money is being spent and transparency of Admin and the BOD. These are ongoing and the concerns are coming from multiple areas. I want this AREA to know that these issues are of great concern to the RCMs and are being addressed. Solutions are in the works and I will keep this groups' conscience at the forefront of my mind when participating in the discussions.

The BOD is still looking for trusted servants. If you are interested, please fill out a pool form. If you have any questions, please ask. I will answer them to the best of my ability.

I am trying to keep it simple this month. If you have any questions, concerns or want copies of anything, please let me know.

Thank you for letting me be of service,
Cherril T.

PUBLIC RELATIONS

Not much to report this month, unfortunately I am not with you all tonight as I am in a class on Wednesdays for the next 6 weeks.

The Yolo PACT meeting is going well but the Sacramento PACT still needs volunteers.

I have been in contact with a person from woodland who wants to head up a postering effort in that community and possibly other communities.

I have been talking with the Public Service Announcement (PSA) coordinator from ARANA who wants to put out some PSA in coordination with SACFNA, ARANA and the Sierra Foothills area in some local newspapers and radio stations. The media outlets that were discussed were the SAC BEE and a local college radio station. I will update you next month.

We are attending the 3rd Annual Community Resource and Health Fair at Cosumnes River College on Thursday, October 8th, 2009-- 10 am to 2 pm

HELPLINE

Nothing to report except that volunteers are still needed. I am not going to be at area as I am leaving for Washington DC. See you next month.

Thank you for allowing me to be of service

Treasurer's Report

The numbers for the packet show what we have up to this point. There will be a budget to actual handed out that we will also go over. We will not be making an additional donation to Region this month since we are not above our prudent reserved.

Thank you for letting me be of service.

Report from Your Unity Day Working Group

Plans are shaping up for an event in late February or early March of next year. We have a strong working group with a number of highly motivated people. If you or someone you know would like to join us, we meet on the **third Saturday** of each month at 11:15 am upstairs at Trinity Cathedral at 27th & Capitol in beautiful midtown Sacramento. We need a recording secretary, someone to coordinate merchandise, and an assistant to our refreshment & food coordinator. We did find a member willing to serve as comptroller to manage NA funds responsibly and coordinate pre-registration. We're prepared to bring pre-registration fliers as early as next month if our budget is approved.

In addition to preparing a draft budget for your review and approval (hopefully), we made the following decisions last month:

LOCATION: We reached a consensus on that George Sim Community Center is our top choice, Cordova Community Center our second choice. We are currently pursuing both and will book whichever is available in line with our priorities and budget,

ENTERTAINMENT: We plan to showcase some of our members' talents in both a variety show and in performances before meetings and meals. At the next ASC, we will have a flier calling for participation by the fellowship at large. In addition to recovery-related skits or songs, we intend to incorporate other creative expressions of life in recovery. This video clip (shown at ASC) illustrates one thing you can expect: pictures taken at the event will be integrated into a video like this and be shown before the last meeting. We'll also be asking each group to provide a picture for our home group count down.

FOOD: Our budget includes seed money in support 4 stations with different food representing our cultural diversity.

- ◆ All American
- ◆ Italian
- ◆ Mexican
- ◆ Soul food

Our food coordinator would like to delegate responsibility for each of these stations to an individual or group who would, in turn, coordinate members' donations along each of these themes.

THEME & LOGO: "Be the We" was selected as our theme. It will appear on buttons (pre-sale & registration), as below:

NA Service Prayer

God, grant us knowledge that we may serve according to Your Divine precepts. Instill in us a sense of your purpose. Make us servants of your will and grant us a bond of selflessness, that this may truly be your work, not ours- - in order that no addict, anywhere, need die from the horrors of addiction.

Adapted from the NA Basic Text, page xvi

Please make sure you initial the sign-in sheet & note schedule / GSR changes

III. Roll Call/Minutes/Proposals

- B. Roll Call – Group Reports, Roll Call, Suggestions for Brainstorming, Recovery Birthdays
Verify Quorum
 - Roll Call Group Question of the month
- C. Approval of Minutes from August 5, 2009:
Consensus to approve minutes was obtained
- D. Proposals

Proposal 1: To allow admin to vote equally with GSRs

Concepts state that all trusted servants should be fully allowed to participate in the decision making process. This should allow members to be given the opportunity have a voice and they represent a position that should provide them the ability to vote.

Admin do not represent a group, they could vote at their home group

Admin could go against the group conscious of the body

Clarification who is admin and would they vote

Guidelines as written do not allow for admin to vote.

Would this be part of quorum and

They would be added to the quorum

When this was added to the guidelines it was intended to allow the groups to decide, and we are allowed to participate in the shaping of the proposals

If we did not meet quorum, could admin step in?

Not according to current guidelines

Would quorum change if this is passed?

Yes, since they will be part of the vote

Admin should be neutral and GSR should look for our leadership

When the area split we created this in fear and today we don't have to walk in fear, but faith.

Other areas in NA do not have admin vote.

Concept 2, 5 and 6 were discussed and their impact.

Test for consensus: Proposal was stopped.

V. Brainstorming & Dialogue

12/03/2009 – Action Item to review ARANA Liaison position at April 2009 ASC. We were asked to review the position of Liaison at the April ASC to see if we wanted to continue the position.

When this area was formed we did not have our own services and we have been able to create our own services. Now since we have our own, there is very little to report. The last item that was worked on was the Schedule and now we have communication going on between the areas.

We do not send liaisons to Napa Solano, Sierra Foothills, etc. We do not need to keep the position.

Does ARANA recognize the liaison at their ASC?

They have never recognized us.

Do you see the need to keep this position? (to Liaison)

Answer, No.

Do we take flyers or get flyers from areas?

Since you only go to ARANA, what was the need?

We didn't have our own services and we wanted to keep the information flowing to be kept informed. Now we have our own.

If the need arises, we can create an ad-hoc or other representative to send.

Consensus was obtained to close the position.

Review SacFNA-ASC Guidelines with proposed changes.

Power Point of changes was shown and discussed. Guidelines were given for groups to review.

Literature order form online. The form was online and does not seem to be there.

Some members have used it as recently as Monday. We will check the site and notify the web servant.

When there is a proposal/motion at group level and there is dissent, how many people are needed to stop a proposal?

Each group can set their own level and some use 10% others, just make a best practice as you go on.

When groups are in a facility where members are being disruptive and going to unauthorized areas, how do you reel the members in?

Other members should help out and ultimately it is up to the individual to be responsible for them.

Do we have to sign court cards? A group has decided not to sign.

It comes down to the group autonomy and they can make the decisions to not sign.

Some groups do not hold people but sign at the door.

We are not responsible for others and their recovery.
