VI. Update from our Treasurer

VII. Close by 9:30 with the “We” Version of the Serenity Prayer

Chairperson's Report to the December 5, 2007 Area Service Committee of SacFNA

Our Best Activity So Far!

Good clean fun was had by all at the Spaghetti Dinner. I think this model of short-term commitment to a single task worked well. What's next? Who's willing to step up to the plate? Maybe you can generate some interest in your home groups or among your friends, yes?

Location, location, location

Starting next month we'll be meeting at Evelyn Moore Community Center, 1402 Dickson Street in Sacramento. Please note that we will not meet again until January 9 (the second Wednesday). With this exception, the ASC will continue to meet on the first Wednesday of the month from 7 to 9:30 pm— we've booked the facility through the new year. Agenda meetings will be held in the same facility on 3rd Wednesdays from 7-9 pm.

Hospitals & Institutions

ARANA's admin has asked their H & I committee to discuss their vision for H & I's future and develop a proposal that could be considered by both Areas. The H & I Chair Steve has joined us tonight to give you an update and get some input from you.

PI/PR

I spoke with AR's PI Chair David, who assured me that:

- 1) They will continue to have an 800 number. They have had some trouble with getting 1-800-600- HOPE on the new (cheaper) plan, but have other 800 numbers available for use. Worst case scenario would mean that callers would be directed to call another number.
- 2) The current phonenumber plan pays for up to 2,000 minutes. An average of 1,000 calls come in monthly. Minutes over 2,000 are charged at 6¢ a minute.

I discussed a proposal out of our agenda meeting to pay for minutes over our plan (see Proposal 1). He believes it would be highly unlikely that we would generate that many more calls, but thought that the gesture would be well-received. He also tells me that his committee loves the postering campaign and plans to do some postering themselves. Finally, he encouraged membership on AR's PI committee by a liaison or two to maintain communication and see that Sac Fellowship's interests are represented. They meet on the 3rd Thursday of the each at 6:30pm at 3120 Cottage Way in Conference Room A or B.

Elections Next Month

We will hold elections for the following positions in January: Chair, Vice Chair, Treasurer, and Administrative Assistant. See your freshly-approved guidelines for specifics.

That's it from me!

In service,

Pamela T. --

SacFNA Vice-Chair Report

Our PR Working Group had its second meeting on November 6th. Information is still being gathered on places where posters could be placed in the Sacramento area. I think the lack of clarity concerning the phone number and whether we're working with American River on this or going our own way has been a bit of a bump in the road. We will continue to meet, and have space reserved at Trinity for the second Tuesday of December and January at 7pm in one of the classrooms on the main floor.

I would like to see more involvement by people. No one outside the original five individuals showed up at the meeting in November. The next meetings are scheduled for December 11th and January 8th. Please announce these meetings dates and times at your meetings.

Thank you for letting me be of service.

Eric K
Vice Chair

Administrative Assistant Report

I have nothing special to report except to check your names/phone numbers/email addresses in the roll call. As you requested, I did not print these for the November agenda packet posted on the website and will continue to refrain from posting personal information on the website, as long as you give me that direction.

I also contacted the American River Schedule Coordinator after last Area to be sure corrected information was put into the schedules. Please check the schedule to see that your meeting is listed correctly and let me know in writing what changes need to be made.

Catherine B.

Policy and Procedure Report

I attended the ASC Admin meeting in November. As we work with ARANA on the idea of shared services, we walk with them through the many fears. In the end I believe we all realize our common goal, to help the addict who still suffers.

It was great to hear about the good times had by many at the spaghetti feed, what a huge success!

Russ H

Literature Report

Good evening everyone, I looked into purchasing the two part literature forms and found out it will cost us \$212.27 for 1000. We might want to bring it up tonight. That should last us about two years (40/month = 25 months).

Last month we sold	\$1,901.72
B/O's were	\$ 61.44
Ordered	\$1,991.08

Yours in service,
Randy B.

Treasurer's Report for December 5, 2007 SacFNA Area Service Committee Meeting

Hi Everyone-

I have nothing earth-shattering to report. I have attached SacFNA's statement of accounts since last Area Service meeting. I also have separate copies of our bank's online statement, as of 12/4/07.

Please don't hesitate to contact me with any questions or comments. My email address is:
and my phone # is

In loving service,

Dave M, SacFNA Treasurer

V. Brainstorming Session (aka open forum)

Shared Services: especially phonenumber and PI

- Last month's ad hoc report (from our Chair) generated no motions at ARANA ASC.
- Do we want to make one more attempt to discuss coordinated services with ARANA?
 - We need to do something to get started
- Why would we not just advertise and see what happens?
- Lots of technology to apply to the phonenumber.
- Would love to see shared services, it's the definition of Unity. We must be careful not to lose our primary purpose. Old resentments are starting to wear down and there is some willingness to work with us around shared services. Allow a loving higher power to influence your decisions about what to do.
- Shared phonenumber makes the most sense. Having multiple numbers would be confusing to the newcomer. Worried that ARANA is thinking about shutting down the 800 number. If the phone bill is too much, the Area will pay for it.

Re: Guidelines Approval:

Straw Poll: 6 for Admin to participate in consensus
18 against Admin participating in consensus

Guidelines were accepted as amended

V. Decision Session

Proposal 1: To accept and adopt the guidelines as amended

- Remaining question: Should administrative members participate in the "moment of consensus"?
- See Brainstorming Session notes - Straw Poll results were clearly against Admin participating
- Guidelines were accepted as amended

Proposal 2: New location for ASC -- Where shall we meet?

- We will use the free room in January.
- What would we consider as our fair share of cost?
- Let's give them half of what we pay now (\$45)
- Let's pass the basket monthly
- Give a percentage of our donations
- We will have an arrangement with the City to secure the room for one year.
- Propose we offer them \$75/month.
- We have a budget; we need to have a fixed amount every month.
- Can we have this long term? Possibly
- What about Admin meeting? Don't know if the room is available for that.

- Long drive - We drive in from Woodland and are willing to go wherever it's best. We must pay our way.

PROPOSAL: We'll move to Evelyn Moore Community Center and will donate \$75.00

- 4 red cards-violates a spiritual principle, tradition, concept
 - We never discussed the other two places once we heard the first room was free.
 - Mills Station is too small, would like to eliminate that as a consideration
 - Does E Moore center have a kitchen/water? They have a place for literature but not sure if there's a kitchen. But we can get water for the coffee pot.
 - Sierra 2 is the size of this room. E Moore Center room is roughly the size of this room.
 - Sierra 2 is right off the freeway and may be more central but parking is terrible there.
 - We should not be worried about location. We'd drive anywhere to get dope.
 - What is Admin's budget for rooms? \$120 for both rooms (two meetings)
 - We need space to grow and E. Moore center is large. The place in Rancho is small.

Call for consensus: One person for Sierra 2, all others for Evelyn Moore
Is 75/month okay? Yes, agreed.

Proposals from the floor?

- Investigate what would be involved if we started our own PhoneLine.
- Can we investigate the price of extra minutes?
- Likes the idea of having a new phone line. Called the other line and no one answered.
- If we can't participate together with ARANA, we should go ahead and do something on our own.
- We shouldn't jump to conclusions that American River won't let us use their phoneline. No opposition to investigating. Who would like to take the lead in this? Cindy volunteered.

(For next month) Set some days/activities for next year.
