NA Service Prayer
God, grant us knowledge that we may serve according to Your Divine precepts. Instill in us a sense of your purpose. Make us servants of your will and grant us a bond of selflessness, that this may truly be your work, not ours - in order that no addict, anywhere, need die from the horrors of addiction.
Adapted from the NA Basic Text, page xvi

RCM Report

NA-101 held last month and lots of member attended from around the region. Business is done every other month so this month Region will be doing business. No business meeting in May.

V. Brainstorming & Dialogue

AA Literature at NA meeting:

At Shasta Hotel meeting is Mon, Wed, Fri at 8am.
The secretary was presenting AA literature.
Meeting is in ARANA area.
Business meeting for group will be on 6/12 to decide which area and elect a new Secretary.
This meeting is the only morning meeting in either area.
The group has taken care of the person and the emergency business meeting will address this issue.

Multi Meeting

A meeting that is held at a facility where many other meetings are would like to have information on how other multi-meetings have had this work.
One group started a second meeting and the only people attending were trusted servants.
If both groups are interested in combining, put together a committee to work out the specifics of the merge.
Multi meeting groups have one GSR, one Alt GSR and each group has their own secretary. Guidelines for the group were offered to the new group.

All secretaries are required to attend the business meeting and you have to decide which night the business meeting will be.

Newcomer meetings have a hard time in multi meeting groups getting trusted servants.

A service board list is put out to show what positions are available and where opportunities for service are.

By combining meetings some groups have seen more unity and higher meeting attendance.

Suggestion to have only one treasurer so the money is accounted for.

Campout

A member from Woodland would like to explore putting on a campout for our area.

For Information contact Kevin 530-312-1591

This will be a contact person for a working group to put a proposal for the area campout.

Screening of Attendees

A member attended a meeting at Salvation Army on 9th St and had to do a breathalyzer test to go the meetings.

The only requirement for membership is the desire to start using.

H&I were approached to make this a meeting part of H&I. If this is the case, they will make this part of the requirement for H&I.

The group will need to decide which direction they are going to go: H&I or regular meeting.

The facility requires this and if people want to go, they must do the test.

We are just developing Outreach and we can have a single point of accountability. Jay will be in contact with the person at Salvation Army.

PR and Outreach could do a presentation with the staff at the facility to explain what our primary purpose and our traditions.

Maybe create a special list of meetings that are H&I type meetings that require some sort of requirement but are allowed to have outsiders go to the facility.

Discussion on why Regional Service Committee is doing business on a bi-monthly basis.

Region is meeting every month but they are doing business one month and outreach on other months.

The RCM's have been giving information regarding the new format since the beginning of the year.

With the money that was miscalculated, would having the group meet monthly have stopped this earlier?

This will be taken to region to be discussed.

Activities

Let all members be aware of what events are out there so that we are not planning events on the same days that other events are going on simultaneously.

Some of the events can get on the website and then they will make it to the newsletter. The newsletter also goes to the regional website.

Maybe we need an activities coordinator.

Unity day had difficulties getting people to be of service and take positions.

Follow up on ARANA putting our meetings in their schedule

Information will be brought to this area after it has been addressed at the ARANA ASC on Friday June 5, 2009.

VI. Additional Proposals

Create an event that will connect to the World Unity Day in Barcelona. The event will cost around \$375

Maybe we could make money so it will not only be money going out.

Maybe have an event that we could do lunch or breakfast.

An event was done at a previous world event and it was not well attended.

What about Skype:

This might have anonymity problems

Updated proposal: Have a pancake breakfast on August 22, 2009 that would be held the same day as the World Wide Unity Day event. Increase the cost of the proposal to include the cost of having the event with food.

Does the information get out to the groups when we have events?

With the amount of time this will take to undertake the event, we can have the

Test for Consensus to approve the proposal: **Consensus was obtained.**
