Why Get Involved?

Hospitals and Institutions service offers addicts an opportunity to demonstrate gratitude, fulfill responsibility, and share the NA message without expectations. It is also an effective tool that helps us stay clean, and keeps us coming back. The H & I message is the same as the NA message: "That an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live."¹ The gift we share is hope and freedom from active addiction through the program of Narcotics Anonymous. Any NA member who wants to carry this message is encouraged to get involved with H & I service. There are many ways to serve in Narcotics Anonymous, and many of us have found H & I service to be the most rewarding aspect of our recovery.

The Sacramento County Sheriff's Department operates two locked down facilities: the main jail downtown and Rio Consumes Correctional Center (RCCC) in Elk Grove. Volunteers typically commit to one meeting a month and act as both secretary and chairperson. Getting clearance requires submitting an application without any omissions. Requirements for clearance include:

- No convictions for crimes of moral turpitude (murder, child molest, rape, smuggling drugs into a correctional facility, or crimes against a law enforcement officer)
- 18 months clean time
- No probation or parole within 18 months (RCCC may waive this requirement with a letter of support from a PO)
- No active warrants or court activity as a suspect within the previous 18 months

Jail administration has final approval on all volunteers and can refuse clearance without explanation. Once cleared, volunteers attend an orientation outlining the facility's rules and regulations. With the exception of the book study, meetings use a speaker/discussion format. Use good judgment in your attire—don't wear anything could be seen as gang related or revealing.

If you're interested in getting cleared as a volunteer, contact one of the coordinators.
